Hi Friends,

As school is back in swing and the busyness of the fall season has arrived, there has been a lot happening here at First Presbyterian Church to which I want to provide some updates. I particularly want to share some information with you regarding our property.

In July, session agreed with my recommendation to relocate the nursery and pre-K areas to the second floor of the Christian Education wing. The purpose is two-fold: to make the spaces

handicap accessible and to move them to a more convenient location in relation to the sanctuary and flow of traffic on Sunday mornings. This will be a multi-step process that we hope to accomplish in the next couple months.

The first step will be to condense and relocate the church library to the room that has most recently been used as the Young Life office. This is the room to the left as you enter the office off of Church St. This will make the library more accessible for weekly use and allow us the opportunity to condense the library for the purpose of updating

Chinese Church & AU Ministry Summer Events

The Beginning of the Mansfield Chinese Worship

The Chinese Ministry had three summer picnics in June, July and August. We will continue this once a month tradition into the fall weather permitting. The last one in August was at the Mohican Sailing Club on Charles Mill Lake, we had an attendance of over 60 people, and families with their kids attended, they enjoyed water slide, boating and playing ping pong. People brought food to share, and we shared gospel music and songs. People made new friends and enjoyed the company of their friends. There were 15 youngsters from the Youngstown Chinese Church youth group.

Cedarville
Retreat

I invited the Chinese students and families to attend the Midwest Chinese summer retreat on July 4th to the 7th at Cedarville University of Ohio. Eight people attended the four day retreat whose theme “God be with us.” The retreat triggered a non-Christian student to be more inquisitive about Jesus and Christianity, we all prayed for him.

Chinese Church extension ministry in Mansfield started on May 19 of 2019 with six people in attendance. We met at Wokano, a Chinese restaurant and we had fellowship and meditation sessions. We shared the scripture. Two new comers were not Christians. We continued this ministry twice a week on Tuesday and Saturday through the summer months. After four weeks,

three people had the devotion prayer and became Jesus followers. Jesus Christ blessed our ministry with three additional Chinese Christians.

On July 21st, I was invited by the Linden Rd United Presbyterian Church to share the vision of the new Chinese Fellowship Ministry of Mansfield. I was accompanied by three members of the Ashland Chinese Church, Jenny Beasley, Sarah Ebinger and Rachel Chen.

Ashland Chinese Church helped the Shanghai exchange students program in Mansfield. I provided translation, teaching and sharing the differences between the Chinese and American culture.

We had our fellowship dinner August 28th welcoming the new Chinese students. There were over 40 new students attending. We invited them to attend our Church. Ping Han opened her house for this occasion, student enjoyed dinner and swimming. She helped in making them feel welcomed and that they are not alone.

To my First Presbyterian Church family,

Thank you so much for all the prayers, cards, visits and flowers you have provided me during my recent hospital stay and rehabilitation at Wasen. I came home this past Saturday and have family helping me continue to recover. I am so thankful for all of you and can't tell you how much I appreciate your expressions of love. I hope to continue to improve and hope to see you at church sometime soon. Thank You!
Thank You!
God bless you all.

Bill Mast

On behalf of my family, the First Presbyterian Church family's prayers and cards during my mother's (Rita Reidy) illness were greatly appreciated. Mom is at peace now: free from pain and reunited with my father and other loved ones. Thank you again for your thoughtfulness.

Kevin and Debbie Reidy

The support of this congregation for Linda during her illness and me in my grief has been abundant and constant. I am very grateful. Linda had me post each of your cards and notes on her wall so she could think of you as you thought of her.

Terry Mapes

We extend our sympathies to the family and friends of:

Robert Stanley Stokes, who passed away on July 5

Linda Mapes, who passed away on July 12

Rev. David S. Jordan-Haas, who passed away on July 18. He was the husband of Rev. Connie Jordan-Haas, former Associate Pastor of FPC.

continued from p.1

it and making its contents more relevant to its intended purpose.

Upon the completion of this step, the current library will be transformed into a nursery for infants and crawlers. This will be a more quiet space to care for our youngest and will also allow our moms a comfortable space to nurture and care for their babies. Rooms 201 and 202 will also be transformed into a space for our pre-K children that will include areas for play, creativity, learning, and fellowship. Just yesterday I met with a few of our members to begin to design the layout of these rooms and I am excited for the possibilities. We will keep you informed of the progress along the way and certainly welcome any help that you would like to contribute this project.

We have also started conversations with Simonson Construction to receive estimates on several major projects based off drawings and recommendations made to us a few years ago by Dan Yoder. Session authorized the Board of Trustees to receive these estimates, and have prioritized a project that would add a men's and women's handicapped restroom on the second floor in the location most recently used as the choir room. Yes, the long awaited dream of new, handicapped accessible restrooms may become a reality in the relatively near future!! It is important to know that this project, or any of the other possible projects being considered, has not been approved by session; at this point we are simply gathering information and estimates. However, we realize the need to make significant renovations to our building to help us further our mission and ministry. I hope this excites you as much as it does me!

I look forward to sharing more of these ideas with you in the near future. I plan to have a congregational meeting in September to more thoroughly share more of these plans with you. I will announce a date for this meeting soon and hope you will join me for this discussion.

In the meantime, please be in prayer for our congregation. Pray that our life and ministry will be in alignment with the Lord's work. Pray that we will remain open to ways that we can transform our building in a way that it can serve the needs of our congregation and community for many years to come. Pray that all of our ministry will be guided by the Holy Spirit as we pray, listen, and seek the Lord in all things. I look forward to our future conversations.

In Christ,

Dear FPC Family,

I will be beginning a new career as the Digital Librarian for the Ohio Genealogical Society on September 16, 2019. After 6 years of study, I earned my Masters of Library and Information Science from Kent State and graduated in May and I am very excited to be making this change in my life.

At the same time, I am very sad to no longer be serving FPC as its Operations Manager. FPC has been a large part of my and my family's lives ever since we moved to Ashland, and I will miss the time I spend with you all. I have been blessed to have the loving support of such a wonderful group of people. Serving you has been an honor and I thank you all for inviting me to partner with you in this church's ministry.

Blessings,
Linda Swanson

Children's Church

Beginning September 15, Bethany Blasdel will lead a children's church experience during Sunday worship for children 3rd–6th grade. The kids will have a variety of activities, spiritual exercises, Bible study, crafts, service projects, etc. during this time.

On the first Sunday of each month, the children will stay in the sanctuary. For all other Sundays, the children will meet in the narthex during the offering and Bethany will lead them to the space they will be using that morning.

Volunteers to help are always welcome. For more information, contact Bethany Blasdel.

Associated Charities JUSST Campaign

JUSST = jeans, underwear, shoes, socks, t-shirts

Thanks for making a difference! Our plea for donations of back to school clothing for families seeking help from Associated Charities resulted in donations of enough jeans that an additional 20 pairs were purchased to fulfill the challenge. A total of 47 pairs were turned in, as well as 7 t-shirts, 13 pairs of socks, and 1 backpack. A huge shout-out goes to the Saccomens for engineering the placement and removal of the locker to display these items!

CROP Walk

on Sunday, October 6 will be our opportunity to participate in this annual effort to provide food and safe drinking water for families in developing countries. Several area churches will be represented by walkers who obtain pledges, then gather at Christ United Methodist Church to walk one of two designated routes in the city. Can we challenge ourselves to add more than FPC's 2018 total of \$501.00? See Lana Potter for a sponsor packet or to be a sponsor.

Smoke Detector Battery Distribution

is being planned in conjunction with the Ashland Fire Department for Saturday, November 2. Watch for additional details about gathering time at FPC for instructions and gathering of supplies.

Safe Haven Thanks FPC

Dear Frist Presbyterian Congregation, We wanted to express our gratitude for your generous donation to the Rape Crisis Domestic Violence Safe Haven Shelter. Your donation has allowed us to repair some needed areas at the shelter. Grants do not cover these expenses. Your donations are truly beneficial to serving victims. Thank You!

FPC donated our June Loud Sunday Offering to Safe Haven. FPC collects this special offering when there is a fifth Sunday during a month. We toss our spare change in a coffee can and make a joyful noise with our gift!

Volunteer Training

Safe Haven Volunteer Training will be offered October 15 – November 7, Tuesdays and Wednesday 4:30pm – 9:30pm

This forty hour training will enable volunteers to become prepared to serve in any capacity at the shelter. Call Volunteer Coordinator Kate Scott at 419-282-6097 or email kscott@safehavenofashland.org for additional information and to register.

ACCESS Mentors Needed

One of the most critical factors for successful transition from the Ashland Church Community Emergency Shelter Services (ACCESS) program to independent living is support and encouragement of the former ACCESS guest. ACCESS Mentors walk beside ACCESS guests to be caring and supportive friends. The Mentors can help guests even after they exit the program and link guests to ongoing support services.

We Went Flocking!

Summer 2019

This summer, the Deacons invited us to “go flocking” after church on two different occasions. For our first flocking, we had lunch and played in Kendig Park in Hayesville. For our second outing, we flocked to the Olivesburg General Store for lunch, ice cream, and fellowship.
