Prayer for the Week: Lord God, in Jesus’ powerful name I ask the Holy Spirit to fill me anew this day; Help me to hear your voice and be open to your promptings. (pause in prayerful stillness & silence) I ask that you place a message on my heart and mind that you desire me to speak this week. (pause in prayerful stillness & silence) I ask you to open my eyes to anyone to whom you are calling me to speak this message. (pause in prayerful stillness & silence) I ask you to grant me the courage to proclaim your message. As I respond in faith to your promptings, allow me to release and trust you with the “results”. Thank you in advance for meeting me with your loving presence as I seek to love and serve you. Amen.
